E. H. AULL. EDITOR.

AS TO SEWERAGE.

When the petition was taken to the freeholders of the city requesting an for the purpose of putting in a system of sewerage it was represented that this amount would be sufficient to sewer the entire city. That representation was made in good faith and based on a former survey and estimates which were made by men in position to know the cost of material. That esiimate did not include the Mollohon Mill. but it is necessary now to include that.

It appears now from the survey made by the engineer that \$25,000 will not cover the town. It is very important while we are at it to put in a system | 37 sufficient to cover the town, for it can | 3 be done at less cost now than later. 14 The present survey for instance does | 25 not go out Johnstone street further than the residence of Mr. Jno. M. Kinard and there are a number of resin 33 dents further out who are taking +re 159 city water and are anxious to have the Me sewer connection and who are intitled M to have it.

It would have been as sasy to have M secured \$40,000 in the beginning as \$25,000, but it was thought that the \$25,000 was ampe and we did not want | Bo to ask for more than was needed. Mr. H Beddoes, the engineer, informs us that Ins the \$25,500 will give us only five miles Ba and that to sewer the town properly 50 new will take eight miles. It is long way better to provide for this additional mileage now and put it in while we are at it than to take it up later, and then it is not justice to those who will not be touched by putting in only five miles, to postpone the matter. We believe our people will readily provide the additional means if the matter is properly cailed to their attention and they are given the opportunity.

We suggest to the commissioners, that at their meeting to hear report from Mr. Beddoes, which we understand is to be held in a few days, they request him to publish a statement showing what portions of the town he can cover with the means at hand and also the additional amount needed to cover the entire town and then let us provide to have the additional amount voted. It is too important a matter to

It is important not only to those who will be cut out of the sewerage but important to all of the citizens. The present drawing goes out Pratt or Main street as far as Mr. C. E. Summer's, and yet on the parallel street right back of him, or Johnstone street, the people who reside there are cut out. The commissioners should submit the facts to the people plainly and let the amount be increased so as to cover all parts of the

ATLANTIC BEACH SOTEL.

This famous summer resort on Sullivan's Island has just opened for the season under new management. It is under the management of the Argyle Hotel Company of Charleston. Those who have had the pleasure of spending any time at the Argyle know how well it is run and now attentive the management is to the guests. The Atlantic Beach Hotel has been completely remodeled and newly furnished and those intending to go to the coast could not select a more desirable place where they will get the delightful sea breezes and the surf bathing as well as the comforts of a first class hotel than to hie themselves to the Atlantic Beach hotel and Sullivan's Island.

Dots From St. Philip s.

The people after so long a drouth in this section have at last got a good season and are now busily at work. The crors have come out wonderfully and there is a good prospect for a good crop if the seasons continue.

On Monday night some boys and girls and were on their way to commencement the rain overtook them. After getting a ducking they had to return to their

On June the 19th a severe storm passed over this section. It took a streak about half a mile wide. Just a while before sun down the sun was shining beautifully and shortly after that a prettier shower never was seen fall. A short while before sundown there was a small cloud that came over, then commenced the storm. Several sharp flashes of lightning were seen and loud peals of thunder were heard, then the wind commenced blowing furiously and also heavy rain and hail were falling and the hail fell very rapidly for a short period. It did a great deal of damage and the crops that were looking so beautiful were beat all to pieces by the hail. For a short time the ground had a layer of ice upon it. The wind blew down several trees and some out houses. While this severe storm was going on the people were very much frightened, for their dwelling houses quivered. The news was heard this morning in various houses and gardens which that dreadful pay the assessment. The sooner this is Cure. Sold by Gilder & Weeks. directions of people repairing their storm had damaged.

TAXABLE PROPERTY.

An Increase in the Total Valuation Over Last Year of Nearly One Hundred Thousand Dollars-Tne Figures.

The auditor has just finished his ab stract of taxable property in Newberry County. As will be seen from the figures below, there has been an increase election on the question of voting \$25,000 | over last year in the valuation of real estate, for the purposes of taxation, of \$71,940, and an increase in the valuation of personal property of \$24,615, making a total increase of \$96,555.

> Auditor Cromer has finished his work promptly, and his office is in good shape and its business well conducted.

Real estate is only returned four years, and of course this crease W. E. Petham & Son.

SUMMARY.

Gain valuation of real estate

A Gentle Hint.

In our style of climate, with its sudden changes of temperature,—rain wind and sunshine often intermingled in a single day,-it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boschee's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of hree or four doses. For curing Consumption, Hemorrhages, Pneumonia. Severe Coughs, Croup, or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. Get a sample bottle free from W. E Pelham & Son. Regular size, 75 ents Get Green's Special Almanac.

A Brave Old Man. "Uncle" Matt Smith, an octogenaian of Saluda, who has been suffering ntensely for the past three months with senile gangrene in the left foot nd leg, underwent an operation on last Chursday afternoon and stood it manully. The operation was successfully performed by Dr. O. B. Mayer, of this ity, assisted by Drs. Kirksey and Guner, of Saluda. The member amputated vas perfectly dead almost to the knee. The patient, although in his 84th year, allied from the effects of the anaeshetic in three minutes after the chloroform was removed, and holding up the tump laughingly remarked: "Now 'm well fixed: two legs and one foot." The operation was perfectly successful -ame. every particular and Dr. Mayer was pack in Newberry at his usual practice For House of Represenearly Friday morning.

Saved From an Awful Fate

"Everybody said I had consumption," writes Mrs A M. Shields, of Chambersburg, Pa, "I was so low after six mouths of severe sickness, caused by Hay Never and Asthma, that few thought I could get well, but I beerned of the marvelous merit of Dr. King's New Discovery for Consumption, used it, and was completely cured." For desperate Throat and Lung Diseases i is the safest cure in the world, and i infallible for Coughs, Colds and Bron chial Affections Guaranteed bottle 50c. and \$100. Trial bottle free at al. druggists.

Werk End Rairs.
